Dear Mr. Joseph Pomrenze:

As we discussed in our recent phone conversation the following is provided:

Attached are the two basic letters by Mr. Nitze and Mr. Helms concerning use and storage of SWITCHBACK records of the Department of Defense. Also included is a subsequent letter by Mr. Fuchs about DOD storage of the material and a letter by Mr. Francis arranging the storage. These should establish the ownership of these records and the reason for their passage through our Agency from Vietnam. We now wish to return the records (and another group later) to your custody. Yet, we wish to reserve the opportunity for possible future access to them through your office and to request that your office exercise control to protect them from indiscriminate distribution or use while in storage. The controls and protections you use for your records of similar character will suffice for these, but we will appreciate your notifying us of anyone requesting access or use of them.
